To Thakur, Pranav (Cognizant) <Pranav.Thakur2@cognizant.com>

Dear Cognizant and Team,

Thank you for everything.

As I prepare to move on from Cognizant, I would like to take a moment to express my sincere gratitude to everyone who has been a part of my journey here.

I joined Cognizant as a fresher, and this organization became the foundation of my professional career. The initial training at Cognizant helped me build my technical base and understand the corporate environment, for which I will aways be grateful.

My journey then continued with the Discover project, followed by The Hartford project. During the early stage, I was not even fully aware of how multiple environments, deployments, and real-time production systems worked. That phase marked the true beginning of my learning journey.

With continuous guidance, hands-on exposure, and support, I gradually grew both technically and professionally. Today, I am proud to share that I have been part of multiple production deployments, which once felt overwhelming but later became major learning milestones.

I would like to extend my heartfelt thanks to mentors @Bhople, Shubham , @Yerunkar, Mayur , @Mukherjee, Pradip , @Sinha, Jishnujyoti , @Tripathi, Akhilesh , @Manoharan, Ramkumar , @Solanki, Akash , @R, Kalarani , @Kumar Upadhyay, Biki , @Maheshwari, Akanksha , @Srinivasan, Ranjani , @Bugde, Amrut Haribhau @Mathew, Adarsh (Cognizant) @Paul, Anup @Pawar, Bhushan @Gadey, Venkateswarlu for their patience, guidance, and constant encouragement. Your support played a crucial role in shaping my journey and confidence. I am equally thankful to my teammates and colleagues @Isanaka, Swathi, @Rajendran, Nandhini, @Salunke, Ravikant , @Gaunjhu, Pooja, @A, Vaijayanthi, @Joshi, Samruddhi, @Chouhan, Shraddha, @Kumar, Abhishek, @Srivastava, Tushar, @Jaiswal, Akash, @Tupe, Payal Sanjay @Thakre, Aditya, @Mazumder, Sourav @R, Radhesh , @Reddy, Nagella Tejeswar @Hatkar, Sumeet , @Reddy, Neha, @B, Renuka , @Bhagat, Chaitanya, @Navale, Mangesh, @Thorve, Rutika, @Balkrishna Karande, Rutwik, @Khabale, Saakshi, @Tambolkar, Suglabai, @Deshmukh, Ishwari , @Kore, Shubham , @Rathod, Siddhi , @Deshmukh, Dipashri @Gangne, Harshada @Prajapati, Akhilesh   for the collaboration, knowledge sharing, and positive work environment. Wishing everyone continued success.

As one memorable line goes, "In case I don't see you...good afternoon, good evening, and good night"

Until our paths cross again - hasta la vista !!!
